

- Women on the Move is JPMorgan Chase’s commitment to provide women with opportunities to succeed in their professional and personal lives.
- The program’s key objectives are to expand women-run businesses, improve women’s financial health and advance women’s career growth.
- Through these efforts, our goal is to help secure an equal future for our female employees, clients, consumers and the communities we serve.

“
There is a plethora of research that proves having more women in the workforce at senior levels does improve the bottom line of companies.

”
Marianne Lake
Chief Executive Officer, Consumer Lending

“
Women on the Move is our continuous effort to enlighten every office and branch across the global JPMorgan Chase network on the power of diversity.

CEO, Asset and Wealth Management

Our Focus Areas

- 1. Expand Women-Run Businesses**
Enable women to grow their businesses, from startups to global enterprises. Provide greater access to capital, networking, expertise, and other resources.
- 2. Improve Women’s Financial Health**
Provide education and tools to increase the financial health and independence of women in our communities. By increasing their financial acumen, we aim to help women feel more confident about their financial futures.
- 3. Empower Women’s Career Growth**
Support female employees across all levels, regions and departments by providing an inclusive culture, growth opportunities, coaching, leadership training, and family-friendly policies and benefits. Our ultimate goal is to propel more women into leadership positions across the firm.
