

JPMorgan Chase Surpasses Initial \$100 Million, Five Year Investment in Detroit - Two Years Ahead of Schedule

Making an Impact

-  Over 20 residential, commercial and retail projects completed or underway, creating or preserving 800+ jobs, 800+ housing units and 176,000 sq. ft. of commercial space
-  Helping 1,800+ small businesses receive technical assistance, facilitating \$7.2 million in loan and grant capital to 100 small businesses and creating or maintaining 700 jobs
-  Developing a data-driven city workforce investment strategy and helping nearly 15,000 Detroiters to participate in job skills training programs or career and technical education
-  Creating or preserving 700 mixed-income housing units, providing financing and counseling to homeowners and surveying 380,000 property parcels
-  Sending 100+ employees with deep expertise to Detroit, boosting Detroit's M-1 rail line and helping build the capacity of local nonprofits

Expanded Detroit Investment to Reach \$150 Million by 2019
