

JPMorgan Chase is committed to positioning our nation's veterans, service members and their families for long-term, post-military success.

The JPMorgan Chase Office of Military and Veterans Affairs, established in 2011, drives firm-wide, veteran-focused efforts around three strategic pillars:

- Employment – JPMorgan Chase provides national and regional forums to promote and facilitate veteran employment in partnership with the public and private sectors while supporting the communities in which we live and work
- Small Business and Strategic Initiatives – JPMorgan Chase empowers veterans to succeed in small business and leads programs to strengthen veteran communities through housing and other community initiatives
- Acclimation and Development – JPMorgan Chase educates, on-boards, develops and retains the best veteran talent to meet evolving business needs and build a bench of future leaders for the firm

Fast Facts

- 14,000+ veterans and service members hired by JPMorgan Chase across all Lines of Business and levels of experience since 2011
- More than 470,000 veterans hired by 200+ members of the Veteran Jobs Mission, an employer coalition led by JPMorgan Chase with the ultimate goal of hiring 1 million veterans
- More than 1,000 mortgage-free homes—an investment of more than \$185 million—deeded to military families through nonprofit partners as part of the firm's Military Home Awards Program
- 15,554 courses have been completed by 9,520 veterans and spouses—at no cost—through the Veterans Career Transition Program
- \$4.2 million investment to support veteran-owned small businesses through access to capital and education
